## Harvest Your Morning Flavor

*This step invites you to indulge in the freshness and vitality of our locally sourced fruits, whether you prefer the pure simplicity of a juice or the diverse textures of a fruit plate.*

### JUICE

#### Pineapple Sunrise

*Bursting with enzymes and vitamin C for immunity and a joyful glow.*

#### Watermelon Quench

*Hydrating and rich in lycopene, a sip is like a plunge into a refreshing pool.*

#### Orange Zest

*Packed with vitamins for a zesty boost to your body's natural defenses.*

#### Dragon Fruit Dream

*Full of fiber and antioxidants, it's a dreamy detoxifier.*

#### Papaya Paradise

*A tropical enzyme powerhouse aiding digestion and skin health.*

#### Banana Boost

*High in potassium and mood-lifting nutrients to elevate your day.*

#### Melange Magic

*A harmony of fruits, each sip a symphony of healthful melodies.*

**or**

### FRUIT PLATE

*A vibrant mix of seasonal fruits, combining textures and benefits for a complete sensory and nutritional experience.*

## Nourish & Flourish

*Step 3 invites you to craft the main event of your breakfast experience. Blending traditional flavors with innovative twists to start your day on a note of perfection.*

### Chia Dragon Frost

*Chia seeds, dragon fruit, and banana merge for a high-fiber delight that supports digestion.*

### Chia Berry Freeze

*Strawberries, banana, and coconut milk blend into an antioxidant-rich treat, boosting immune health.*

### Monk Bowl Serenity

*Granola, natural yogurt, and fresh fruits offer a probiotic boost for gut health in every spoonful.*

### No Moo. Just Mmmm

*Banana, strawberries, coconut water, and dragon fruit create a hydrating smoothie bowl, perfect for vitality.*

### Omelette Origin

*Eggs with your choice of tomatoes, onions, mushrooms, paprika, or cheese make a protein-packed start, essential for muscle health.*

### Sunny Side Up

*Eggs, bacon, and bread combine for a simple, protein-rich meal that fuels your morning activities.*

### Scramble Croissant

*A croissant with scrambled eggs, mushrooms, and bacon offers a balance of energy and satisfaction, with selenium from mushrooms supporting immunity.*

### Happy Pancake Smile

*Pancakes with a choice of chocolate or honey provide a comforting, energy-boosting breakfast, with honey adding natural antibacterial properties.*

### Uncle Beny's Secret

*Poached eggs, guacamole on English muffin bread blend heart-healthy fats from avocado with protein, supporting heart and muscle health.*
