

Wake-Up Your Way: A Personalized Start

*From a list of drinks, fruits, and mains, select what you like.
It's your morning, made your way.*

Chamomile Calm

Perfect for a mindful morning.

Ginger Tea Spark

Spicy infusion, known for its invigorating qualities and digestive benefits.

Black Tea Vigor

For mental clarity and physical zest.

Green Tea Zen

Enhancing your metabolism and imbuing a sense of calm alertness.

Espresso Energy

Offering a swift elevation of spirit and focus.

Balinese Coffee Culture

Experience the local essence with each sip, celebrating Bali's rich coffee tradition.

Latte

Combining creamy delight with a steady awakening.

Capuccino Cloud

Perfect for a reflective morning pause

Iced Latte Breeze

Smooth latte that cools as it stimulates.

Iced Espresso

A brisk and bold refreshment

Harvest Your Morning Flavor

This step invites you to indulge in the freshness and vitality of our locally sourced fruits, whether you prefer the pure simplicity of a juice or the diverse textures of a fruit plate.

JUICE

Pineapple Sunrise

Bursting with enzymes and vitamin C for immunity and a joyful glow.

Watermelon Quench

Hydrating and rich in lycopene, a sip is like a plunge into a refreshing pool.

Orange Zest

Packed with vitamins for a zesty boost to your body's natural defenses.

Dragon Fruit Dream

Full of fiber and antioxidants, it's a dreamy detoxifier.

Papaya Paradise

A tropical enzyme powerhouse aiding digestion and skin health.

Banana Boost

High in potassium and mood-lifting nutrients to elevate your day.

Melange Magic

A harmony of fruits, each sip a symphony of healthful melodies.

or

FRUIT PLATE

A vibrant mix of seasonal fruits, combining textures and benefits for a complete sensory and nutritional experience.

Nourish & Flourish

Step 3 invites you to craft the main event of your breakfast experience. Blending traditional flavors with innovative twists to start your day on a note of perfection.

Chia Dragon Frost

Chia seeds, dragon fruit, and banana merge for a high-fiber delight that supports digestion.

Chia Berry Freeze

Strawberries, banana, and coconut milk blend into an antioxidant-rich treat, boosting immune health.

Monk Bowl Serenity

Granola, natural yogurt, and fresh fruits offer a probiotic boost for gut health in every spoonful.

No Moo. Just Mmmm

Banana, strawberries, coconut water, and dragon fruit create a hydrating smoothie bowl, perfect for vitality.

Omelette Origin

Eggs with your choice of tomatoes, onions, mushrooms, paprika, or cheese make a protein-packed start, essential for muscle health.

Sunny Side Up

Eggs, bacon, and bread combine for a simple, protein-rich meal that fuels your morning activities.

Scramble Croissant

A croissant with scrambled eggs, mushrooms, and bacon offers a balance of energy and satisfaction, with selenium from mushrooms supporting immunity.

Happy Pancake Smile

Pancakes with a choice of chocolate or honey provide a comforting, energy-boosting breakfast, with honey adding natural antibacterial properties.

Uncle Beny's Secret

Poached eggs, guacamole on English muffin bread blend heart-healthy fats from avocado with protein, supporting heart and muscle health.
